

Independent Student Verification Worksheet 2021-2022

Your Free Application for Federal Student Aid (FAFSA) was selected by the U.S. Dept. of Education for a review process called "Verification." Being selected does not mean you've done anything wrong! It does require us, as your school, to review the information provided on your application and document that it is correct. If there are differences between your FAFSA information and your financial documents, corrections may need to be made.

We cannot process your financial aid until verification has been completed, so please complete all applicable items, sign and return this form as soon as possible to our office. Please contact us if you have questions.

For more information on this tool, how to use it, and what to do if you are not eligible to use the tool, see page 3.

Important Information and Instructions

Information for Tax Filers

If you filed or are required to file a 2019 federal tax return, the best way to verify income is by using the IRS Data Retrieval Tool within the FAFSA.

- **To use the IRS DRT:**
 - Go to FAFSA.gov
 - Log in using your (the student's) FSA ID
 - Select "Make FAFSA Corrections"
 - Navigate to the Financial Information section of the application.
 - Follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2019 IRS income tax information into your FAFSA.
- **You will not be able to use the IRS Data Retrieval Tool and must submit a Tax Return Transcript if:**
 - You are married and you and your spouse filed as Married, Filing Separately. Both you and your spouse will need to submit a Tax Return Transcript.
 - Your marital status changed after December 31, 2019 (current marital status doesn't match 2019 tax filing status). Please contact the Financial Aid Office for additional instructions.

If unable to use the IRS Data Retrieval Tool, request a 2019 Tax Return Transcript. Go to IRS.gov and click on "Get Your Tax Record" or call 1-800-908-9946. You may provide a signed copy of the 2019 Federal tax form including Schedule 1 or Schedule 2 or Schedule 3 (if filed).

Information for Non Tax Filers

What is a Verification of Non filing Letter?

The U.S Department of Education requires independent students who did not file a federal income tax return to submit documentation from the IRS stating that a tax return was not filed. This documentation comes in the form of an "IRS Verification of Non filing Letter" which must be provided to EMCC. If you are married, both you and your spouse must provide a letter stating that a 2019 federal income tax form was not filed.
